Share our Joy!

On-site and via Zoom

We gather on this occasion to celebrate God's handiwork!

We have completed the tasks set before us in June 2020, when we set the course for "restoring Eden's sanctuary and song."

We gather *In Joyful Song* to acknowledge the strength, prayer, vision, and gifts of members and friends across the country. Our rededication recital will feature diverse sacred music selections selected for our restored Möller organ, as well as acknowledgments, prayer, and Scripture.

*See complete event info, and share offerings for the campaign at www.edenroofandorgan.org.

Kindly RSVP by September 3 to info@edenuccchicago.org or 773.283.5557
